Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Pursuant to Applicants' duty of disclosure under 37 C.F.R. § 1.56, enclosed is a list of three (3) references for the Examiner's review and consideration. These references are listed on the enclosed Form PTO-1449 entitled "List of References Cited by Applicant." Copies of these references are also enclosed.

Pursuant to 37 C.F.R. 1.97(e), Applicants respectfully state that these references were first cited in a search report issued in a corresponding foreign case. The search report issued on May 3, 2006, and thus, this statement is being submitted within three months of the issuance of the search report.

Identification of the foregoing references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since that form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited."

Applicants respectfully request that the Examiner review the references and make them of record by completing and returning the enclosed List of References.
